The Open Country

In 2019 Northern Ireland played host to The Open Championship when Rory, Tiger, Phil, Padraig, DJ & friends all tackled the mighty Royal Portrush Golf Club. Founded back in 1888, and located along the Causeway Coast, the club has hosted many amateur and professional events, for both men and women, including Irish Ladies' Amateur Championship, Ladies' Senior British Amateur Championship, and The Irish Open.

While Royal Portrush will always be top of the list for visitors to this area, the north coast is home to many other superb links including world number 1 ranked Royal County Down Golf Club, Portstewart Golf Club, Castlerock Golf Club, Ballyliffin Golf Club, Portsalon Golf Club, and Rosapenna Hotel & Golf Resort, who recently added a third course to their stable – the much acclaimed Rosapenna, St. Patrick's Links, designed by Tom Doak.

As Royal Portrush looks forward to hosting The Open Championship again in 2025, why not walk in the footsteps of giants and discover for yourself what the stunning north coastline of Ireland has offer!

Useful Tips

Start planning early! Tee sheets usually open around March for the following year.

The Euro is used in the Republic of Ireland and Sterling (pounds) is the currency in Northern Ireland. Credit and Debit Cards are widely accepted.

Caddies must be pre-booked and are payable in cash. We advise taking at least a fore-caddie, who will give general guidance and help find the odd stray ball!

Don't take on too much! Traveling long distances and trying to play too many courses over a short trip can take from the enjoyment.

The climate in Ireland is very mild. While rain is always a possibility, it's generally very pleasant during the Spring & Summer months. But pack some light rain gear, just in case!

Most courses offer yardage books – these are a fantastic help, especially when it's your first time playing the course.
